Deaf, DeafBlind and Hard of hearing

All survivors of domestic violence face the same issue; abuse thrives in isolation. This can be especially true for survivors of domestic violence who are Deaf, DeafBlind or Hard of hearing.

Our services offers

The Hotline strives to educate the public about the need for Deaf, DeafBlind and Hard of hearing abuse outreach programs. The safe and strictly confidential services that The Hotline offers to survivors can be life-saving. We have partnered with Abused Deaf Women’s Advocacy Services.
